

**Draft Resolution**  
**Increasing the Size of the Student Senate**

**WHEREAS**, each college and school at UNT has its own distinct culture and set of concerns.

**WHEREAS**, many of the larger colleges and schools have a larger number of unfilled Senate seats, while the smaller colleges and schools have highly competitive races for a smaller number of seats.

**THEREFORE, LET IT BE RESOLVED THAT**, that the following constitutional amendment be approved by the Senate and brought for a public referendum in the next regular election of the SGA in the Fall of 2021:

**Article IV - Student Senate**

**Section 2: Composition of the Student Senate**

A) The Student Senate shall consist of **at least** 45 Senators.

C) Each school, college, or academy of the University shall be apportioned at least one Student Senate seat **proportionally to its population. Afterwards, if the school, college, or academy has less than three seats, new seats will be created to assign it three seats.**

**Respectfully Submitted,**

**Ted Kwee-Bintoro**
